Re: Employment Verification Letter – Ankit Thapa

To whom it may concern:

This is to verify that Ankit Thapa is currently employed by Essent Guaranty, Inc. (E-Verify Company ID No. 1162976, EIN 26-3728115) as an Architect/System Engineer reporting directly to Davie Rae, VP, Technology, Architecture Strategy & Planning (David.Rae@essent.us) (610-230-2002), commencing January 3, 2023. This is a full-time position, scheduled to work at least 40 hours per week at our Radnor Pennsylvania office located at Two Radnor Corporate Center, 100 Matsonford Road, Radnor, PA 19087.

Essent is a national provider of private mortgage insurance headquartered in Radnor, Pennsylvania and the company's website's URL is <http://www.essent.us>.

In his position as an Architect/System Engineer, Mr. Thapa will be developing applications, programs and user interfaces based on technical design specifications; developing unit test plans and cases for programs and applications; documenting technical design specifications for programs and data structures based on business requirements; developing integration/system test plans and test cases for programs and applications; working with team members to develop program units that integrate seamlessly into the overall system; investigating, troubleshooting and resolving problems within application software; educating users on capabilities and the use of current technologies; researching and recommending new cloud technologies; developing project plans, activities and progress reports.

If you have any questions, please feel free to contact me at 610-230-0558.

Very truly yours,

Mary L. Gibbons

Senior Vice-President and Chief Legal Officer
